CASE NO. 21-2989-MDL-ALTONAGA/Torres

In re:

**JANUARY 2021 SHORT SQUEEZE
TRADING LITIGATION**

This Document Relates to All Actions

ORDER

In the April 19, 2021 Case Management Order [ECF No. 209], the Court invited attorneys involved in the non-federal securities actions to submit applications to be selected as Plaintiffs' lead counsel by April 26, 2021. (*See id.* 2). The Court has received applications for thirteen (13) individuals. (*See* [ECF Nos. 243-1–243-10]). On May 17, 2021, the Court heard from the respective candidates. (*See* [ECF No. 306]). After carefully considering the applicants' written submissions and oral presentations, as well as the guidance provided by the Manual for Complex Litigation, and Federal Rule of Civil Procedure 23(g), the Court issues the following Order (1) establishing Plaintiffs' claim and leadership structure; (2) appointing counsel to designated leadership roles in this multidistrict litigation ("MDL"); and (3) assigning Plaintiffs' leadership duties.

Claim structure – four tranches. The Court finds this litigation will proceed most efficiently with four groups, or "tranches," of claims. The Court designates the following tranches: (1) antitrust claims against Defendants (the "Antitrust Tranche"); (2) state-law claims against the Robinhood entities and other Robinhood-related Defendants (the "Robinhood Tranche"); (3) state-law claims against the other broker-dealer Defendants and other related Defendants (the "Other

Broker Tranche”); and (4) federal security law claims. This Order does not address the federal security law claims.

Leadership structure – Lead Counsel, Liaison Counsel, and Steering Committee.

Lead Counsel. The Court appoints four Lead Counsel: two for the Antitrust Tranche; one for the Robinhood Tranche; and one for the Other Broker Tranche. Lead Counsel have the duties outlined in the Manual for Complex Litigation section 10.221, which include formulating (in consultation with other counsel and the Steering Committee) and presenting positions on substantive and procedural issues during the litigation.

Liaison Counsel. The Court appoints one Plaintiffs’ Liaison Counsel. Liaison Counsel is charged with responsibility for administrative matters, including facilitating communications with the Court and counsel in the MDL. Liaison Counsel will assist all counsel in complying with the rules and procedures of the Court.

Steering Committee. To further promote efficient management of the MDL and pursuant to the guidance set forth in the Manual for Complex Litigation sections 10.221, 40.22, the Court establishes a five-member Steering Committee for the Antitrust Tranche, Robinhood Tranche, and Other Broker Tranche. The Steering Committee has the duties outlined in the Manual for Complex Litigation section 10.221. The Steering Committee shall ensure that all tranche members’ interests and positions are represented in decision making. It will be chaired by a Steering Committee Chair.

The Court reserves the discretion to replace appointees, on their own requests, on request of Plaintiffs' Steering Committee, or on its own motion, if and as circumstances warrant. Notwithstanding the personal nature of appointments, appointee attorneys may utilize the services of a member or associate lawyer of their law firms or law partnerships (or appropriate clerical personnel) to assist them in fulfilling their obligations under this Order when doing so results in representational efficiencies and/or expense savings.
